The parent participation program requires each family to volunteer a total of 24 hours to the school. Single parent families contribute 12 hours. At least 6 hours must be volunteered on fundraising/special needs activities. Many "hard to fill" activities receive double credit hours. Financial requirement of $50.00 per volunteer hour may be paid in lieu of volunteer time. There is no donating hours to others allowed. We look forward to the generosity of parents contributing to the activities of the children. Without your support many of these activities cannot be done. Thank you.
